

Greetings!

I am very thankful that you are interested in growing in your faith and knowledge of God's precious Word.

Due to COVID-19, I have decided to not have GOD'S WAYS in person. It breaks my heart to make that decision because I have seen God's amazing power at work in the lives of his people through this course. But I also know that God is not limited as we are. Therefore, he promises his blessings even as you study his truths on your own.

The most important part of a course like this is the time you spend in God's Word. I would encourage you to participate in this course in the following ways (and yes, these are prioritized)...

- 1) Read the portions of God's Word assigned for each week. *(Pray through your reading. Ask the Lord to send his Holy Spirit to guide you into all truth.)*
- 2) Do the worksheets. *(These worksheets are intended to get you to think a bit more deeply about what you are reading. Don't get frustrated if some of the questions are obscure; God's Word is inspired, the questions are NOT.)*
- 3) Watch the GOD'S WAYS video for each session.
- 4) Contact me with any questions or comments. I always enjoy discussing God's Word with his people.

In order to help you in these endeavors, I have created some resources for you.
